CONSIGNMENTS FROM WM. CHAPMAN,
J. M. HARRINGTON AND C. COOK**

**At and during
SKOWHEGAN STATE FAIR
SKOWHEGAN, MAINE
Wednesday, August 14, 1957
AT 7:00 P. M.**

LOUADA GALLANT
Grand Champion Shorthorn Bull
at the 1954 Royal Winter Fair
in Toronto, Canada

**NOW STOCK BULL IN THE
MORE ACRES FARMS HERD**

Invitation

We cordially invite you to be with us at our first annual sale at and during Skowhegan State Fair, Skowhegan, Maine.

Come in the morning and watch the showing of the Shorthorn breeding classes. The Shorthorn show will begin at 10 A.M. on Wednesday, August 14th.

The sale opens promptly at 7:00 P.M. D.S.T.

General Information

LOCATION: The sale will be held on the Skowhegan State Fairgrounds Skowhegan, Maine. One mile north of business center on route 201.

LUNCH: Will be available on the grounds.

MAIL BIDS: We hope you will be with us on sale day. However, if you can not attend you may mail your bids to S.F. Dorrance, Chief Livestock Specialist Department of Agriculture, State House, Augusta, Maine.

LIABILITY: The sale management, consignors or the Fair Association assumes no liability for accident, but will try to exercise every precaution for the safety and comfort of our guests.

HEALTH: The cattle offered in this sale are from herds T.B. and Bangs accredited or Bangs certified. Health certificates will be furnished for each lot sold.

AUCTIONEER: Stan Perkins, Swatz Creek, Michigan.

HOTEL RESERVATIONS: Reservations should be made well in advance, due to the fair crowd. A number of fine motels are near the Fairgrounds. Someerset Cottages just outside the Fairgrounds, telephone Skowhegan 7-2227, Joseph A. Cayouette, Proprietor, Skowhegan, Maine. Woodside Motor Court, Rt. 201, 5 miles north of Fairgrounds, Telephone 7-8756, RFD No. 1, Madison, Maine, and Skowhegan House, Skowhegan, Maine.

The guarantee and terms shall constitute a contract between buyer and seller of each lot.

Any correction or changes in the catalog will be announced from the auction block on sale day and will take precedence over the catalog.

Foreword

New England farms offer opportunities for the raising of more beef cattle. Roughages that can be produced in this area at a low cost fit well into the beef cattle production.

We are facing a rising market in cattle prices so now is the time to get into the business. Many new breeders find themselves buying on a high market which is not an economical way to go into the beef business.

The More Acres Farms First Annual Sale offers an opportunity to both new and older breeders to buy beef Shorthorn cattle selected from several of the older established herds of top quality cattle in Maine.

Improving the quality of one's cattle is essential to success in the purebred business. Much success in these herds is contributed to the influence of the good sires that have been used. Selections of breeding stock from these herds will play a constructive part in the program of other breeders. Discriminating cattle men are demanding higher standards of excellence in their breeding stock because they know that quality pays dividends. Cattle listed in this catalog speak for themselves. They have the quality and breeding behind them to be sound foundation stock for new herds, or valuable additions to the herds already established.

The More Acres Farms consignments carry the blood lines of several outstanding bulls such as Kings Leader, a Champion bull purchased at the Indiana State Shorthorn sale in 1946, Scotsdale Endurance, and Louada Gallant two bulls purchased in Canada that were Cham-

First Annual Sale

pions at the Canadian National and the Canadian Royal winter fairs.

The Show Ring is the criterion of the excellence of type and quality of cattle bred and exhibited.

More Acres Farms Show Herd over a period of years has made an outstanding record not only within the breed but also in inter-bred competition. One hundred and fifty (150) Grand Championship awards have been won at equally as many shows.

The Mile-Away Shorthorn farm was established in 1928. This herd includes 50 head of Shorthorns carrying top bloodlines found in this country and Canada. Bulls have been selected as herd sires from leading breeders in Canada, Ohio, Iowa and Indiana. A show string from this herd has followed the circuit for many years, making an enviable record in Maine and New Hampshire fairs. One of the most outstanding achievements made by this herd was the breeding of the Champion steer shown at the Fryeburg State Baby Beef Show in 1956. This steer was Champion 4-H steer as well as winning Grand Championship over competition in breeder classes.

Cattle consigned by the Harrington and Cook herds carry some of the outstanding bloodlines of the breed.

Anyone looking for good Shorthorn cattle of the right type carrying top bloodlines can find them in the consignments to the More Acres Farms First Annual Sale.

S.F. Dorrance,
Animal Husbandry Specialist
Maine Department of Agriculture

STANDARD GUARANTEE ENDORSED BY THE AMERICAN SHORTHORN BREEDERS ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

LOUADA GALLANT - This outstanding son of Louada Marshall is now our senior herd sire at More Acres Farm. He is a tremendously thick, deep bull with great rear quarters, very low set, and stands on plenty of good heavy bone. In 1954 "Gallant" was Grand Champ Shorthorn Bull at the Royal Winter Fair in Toronto, Can. In 1955 he was the overall Grand Champion Beef Bull at the Northern Maine Fair. His first calves are beginning to arrive now and they are definitely the right kind. We invite you to visit More Acres Farm to see "Gallant" and his calves at anytime.

CLYDEBANK ROSEWOOD - Out of a cow by the 1950 International Grand Champion Bull, N-Bar Prince. Bred May 25th to Acadia Sportsman 69th. He was out of the best cow in Cyrus Eaton's herd.

Owned by John M. Harrington, Bethel, Maine. The Mayville herd was established on an importation of six females and a bull purchased from the herd of J. S. Norris, Georgeville, Quebec, in 1941.

Norfolk Crystal Star was bred in the Norris herd from imported parents, he proved to be an excellent sire and left many excellent breeding daughters, in the Mayville herd.

The blood of which is available in this sale.

A son of Imp. Calrossie Cock Robin from Imp. Kair Fiona one of the Imp. cows purchased in the Grant Campbell sale in 1950, is now the present herd sire in the Mayville herd.

A son and a daughter is selling in this sale.

MAYVILLE BLYTHESOME 25TH - Sells Open.

KINGS LEADER

By May King.

Purchased in the 1946 Indiana State Sale by More Acres Farms. Kings Leader was Gr. Champion bull at the 1946 Indiana State Sale. Kings Leader did outstanding work in the More Acres Farms herd. A son of Kings Leader is Chief stock bull in the Mile-Away Farms herd owned by Wm. C. Chapman, Bethel, Maine. A daughter sells in this sale.
